

ANIMAL CLINIC OF EAST AVENUE
(PHN) 637-8700 (FAX) 637-9240
Pre-Surgical Instructions:

- *Admitting time is 8:00-8:15 am. If other arrangements need to be made let us know.
- *No food or treats after 7:00pm the evening prior to surgery/anesthesia. Fresh water should be available at all times.
- *Please allow plenty of time for your pet to freely empty his/her bowel and bladder before being admitted to the hospital. Dogs should be walked.
- *Surgery is performed in the morning. Please call in the afternoon to receive a progress report on your pets condition.
- *If your cat is being declawed you will need to use newspaper or recycled paper pellets as litter for 7-10 days after surgery.
- *Hospitalization and ward care charges will incur each day your pet is in our care regardless of check in/out time. These charges include:
 - daily physical examination with a doctor.
 - daily treatments as needed with a technician/doctor.
 - daily walks outside with a technician/kennel attendant.
 - daily feedings (if appropriate).
 - daily cage cleaning/disinfecting.
 - alot of TLC!!!!
- *Please contact us if you have any questions or concerns about the surgical procedure or if your pet has any changes in his/her condition prior to surgery.
- *Please contact us if you are unable to make your appointment at least 24 hours in advance so we can schedule appropriately for other clients
